There's no need to travel all the way up to the Santa Ynez Valley to sample some fantastic wine when you can stroll along the Santa Barbara Urban Wine Trail. Here you'll find wineries, tasting rooms and wine bars that will be sure to please any palette. You might even get to meet the winemaker! Some of the wineries are a little farther out so if you're not up to walking you can take a pedicab, rent a bicycle or just stay in the Funk Zone where a lot of the tasting rooms are located. It's within easy walking distance to the train station and lots of fine dining establishments.

Remember to be back at the train station by 4:15pm. The train leaves at 4:31pm and doesn't wait for stragglers!
