

Green Line Excursion with the San Diego Electric Railway Association

The newest extension to the San Diego Trolley is scheduled to open on July 9th from Mission San Diego station in Mission Valley to Grossmont station in La Mesa. The Green Line extension starts near Mission San Diego and goes through Grantville, up the steep incline along Interstate 8 into a tunnel at San Diego State University, passes Alvarado Hospital below Lake Murray and meets the existing Orange Line near Baltimore and Fletcher Parkway. Our excursion on June 25 includes photo ops, a tour of the shops in downtown, and a ride on the line a few weeks before it is open to the public.

To confirm your interest in attending, send a legal size self-addressed stamped envelope to:

Jim Papulas, SDERA/Ex '05
10606 Camino Ruiz Suite 8 #176
San Diego, CA 92126-3263

Costs and details will be announced shortly. For additional information, contact Jim at jpapulas@sdera.org.

The photo to the right is one of 11 of San Diego's new S70 cars in the underground station at the south side of the San Diego State campus.

(Thanks to our friends at San Diego Trolley for the photo!)
